

DISCLOSURE STATEMENT FOR REFERRED CUSTOMERS (ADDENDUM TO CUSTOMER AGREEMENT)

I) I hereby confirm that the Referring Broker (RB), _____, was the person who introduced me to MG Financial Group and that regarding live trading in spot foreign currency with MGFG on its trading platform RB has advised me of the following:

1. RB has clearly expressed to me that he is not employed by MGFG and that my account will be maintained with MGFG and traded on the platform of MGFG.
2. RB has advised me of the wisdom of demo trading before undertaking any live trading.
3. RB has informed me that s/he will be paid commissions by MGFG if I am accepted as a customer of MGFG and such commission will be based on the volume of my spot foreign currency trading with MGFG. (These commissions will be paid by MGFG and will not be deducted from my account.)
4. RB has not guaranteed any returns or made any other false claims concerning any level of expected returns for spot foreign currency trading.
5. RB has advised me that spot foreign currency trading is highly speculative and carries serious financial risk.

II) I further confirm that:

1. I will not permit RB to act as funds custodian or account manager of any funds to be traded on my behalf through MGFG if I am accepted as a Customer of MGFG. I will place my funds directly with MGFG and I will not use RB as an intermediary for those funds in any way.
2. The representations contained in my application to become a customer of MGFG are accurate and complete including, but not limited to the representations concerning my identity, my financial assets, income, and previous trading experience.

I understand that MG Financial Group may refuse to accept my application to become a customer of MGFG for any reason, including but not limited to my failure to meet the requirement to be a sophisticated and experienced investor and to have sufficient discretionary income and assets to support spot foreign currency trading at all or at the level I have requested.
